

Christopher Tkatch

Junior Web Developer

About Me

Hello. I'm 28 years old and am from Collingwood, Ontario. I love camping, hiking, rockclimbing, and travelling to different countries. I especially love spending a few months each year in Mexico and I've become fluent in Spanish as a result.

Languages and Skills

HTML	● ● ● ● ○
CSS	● ● ● ○ ○
Javascript	● ● ● ○ ○
CRUD functionality	● ● ● ○ ○
Authentication	● ● ● ○ ○
MongoDB	● ● ● ○ ○
APIs	● ● ● ○ ○
Node.js	● ● ● ○ ○
JS React	● ○ ○ ○ ○

Work Experience

None as of yet in web development but I have a number of projects-- some completed, some still in progress. They can be seen by going to github.com/mast3rmittens
